#### PROFILE

I am a passionate Graphic Designer with experience in Branding, Social Media creatives. Proficient in Adobe Illustrator, Adobe Photoshop and Canva, I specialize in creating engaging visuals that align with brand identity & marketing goals. Always eager to learn and grow in the design field while contributing fresh and unique ideas to every project

#### WORK HISTORY

##### GRAPHIC DESIGNER INTERN

**24K Creative Collective Pvt. Ltd.**

**JAN 2025 -JUN 2025**

- Identity Architecture (Project: VEDARO):** Executed a premium travel brand identity, delivering 100% print-ready files and 15+ custom vector icons for luxury market positioning.
- Standardization (VEDARO):** Created a brand style guide and 4-color palette to ensure visual consistency across all digital and physical marketing channels.
- Visual Strategy (Project: ADVENTURE ALLEY):** Engineered a rugged brand suite including brochures and 10+ social templates, ensuring pixel-perfect resolution for 4+ touchpoints.
- Production Management:** Managed high-volume design workflows using Illustrator and Photoshop, meeting strict deadlines for diverse commercial print collateral.

##### Graphic Designer Intern

**Flytsocial**

**JUN 2025 - AUG 2025**

- Infrastructure & Branding (Project: BEAST KITCHEN):** Conceptualized a "bold" core identity and logo; enhanced physical packaging for 3+ product lines.
- 3D Visualization:** Engineered realistic product mockups for stakeholder review, securing 100% approval on final brand directions.
- Ad Engineering:** Produced 20+ high-impact ads, optimizing visual hierarchy and color theory to boost social media engagement metrics.
- Editorial Production:** Developed original vector illustrations for digital platforms, maintaining a strict 24-hour turnaround for daily content updates.
